RDP (Remote Desktop Protocol) allows us to troubleshoot and repair a great deal of problems via the internet! This is the most convenient repair service we offer! No need to disconnect, drop off, or wait! We'll fix your computer right over the internet, anywhere in the world!

We also offer computer repair services in the **local** area. If you would like to use our services, please call us for an estimate. We do charge for mileage for every service call outside of the coverage area.

Our rates and pricing information can be found on our website. If you need to schedule a service call, please email support@rdptechs.net (this is the fastest way to get your request) You may also leave us a support ticket on our site, and we will get back with you in the order they are received.
